Low-Maintenance Commercial Picnic Benches

The Look of Timber, with Less Upkeep

Ideal for: Schools | Public Parks & Playgrounds | Public Spaces | Commercial Outdoor Areas

Commercial Picnic Bench (BN03186)

Designed for Australian Conditions

NewTechWood® Picnic Benches combine fully capped WPC (Wood Plastic Composite) slats with corrosion-resistant aluminium frames, and stainless steel fixings to deliver the look of timber with reduced maintenance and life cycle costs.

Built for
High-Use Areas
